## RAHB Open House Coming Soon

## Attend the Asian Gold Ribbon - Asian Woman Mental Health Summit

Join this 2-hour community conversation with honoured guests; and engage in a community dialogue on **Friday, May 20, 2022, 3:00 p.m. - 5:00 p.m. EDT.**

The CCNCTO and Project 1907 (2022) study indicates a 47% increase in anti-Asian racism reports in 2021 overall. Sixty-four percent were made by women, which is an increase of 8% from 2020. Women continue to be the most targeted in anti-Asian racist attacks in Canada.

Together with community allies, the event will remember Michelle Go and Christina Yuna Lee and hear about the impact of gender-based and race-based racism on Asian women. This event will unite and develop Calls to Action for Asian Women's mental health support in Canada, where bold changes are needed to end race-based traumatic stress.
